BE A PART OF THE FESTIVAL

Christchurch is rebuilding its physical infrastructure - the things that make a city function such as the pipes and the pavements. An equally important task is underway to restore and revive the infrastructure of our city's 'heart' - the essence that sustains a city and makes it worth living in.

Christchurch Arts Festival in 2013 will play a key role in this rebuilding of our city's spirit and you can support this. Director Philip Tremewan promises an inspiring line-up of creative talent from across the art forms: circus, cabaret, dance, theatre, music. The Festival will bring an exhilarating surge of creative energy to feed hearts and souls.

To get the best out of the upcoming programme and support the Festival in a meaningful way, join as a Festival Patron or Friend from only \$50. You'll be helping rebuild our city while receiving great benefits exclusive only to members.

How Festival Friends & Patrons help:

The Christchurch Arts Festival presents an ever-widening range of performing and visual arts events across

Christchurch. The Festival organisation combines local and international artists, commissions new works, and brings new ideas and collaborations into play. The support of Friends, Patrons, corporate sponsors, and individual donations is vital in helping the Festival realise its ambitious goals while keeping ticket prices affordable for all Christchurch arts lovers.

How do I make my donation?

The donations are tax deductible. Simply complete the attached form, and return it to the Festival Office together with your cheque or having completed a bank transfer as per the details below. You will be sent a tax receipt once the donation has been processed.

Please contact the Friends and Patrons coordinator Susan Henson in the office on (03) 365 2223 or by email susan@artsfestival.co.nz if you have any questions.

The Friends and Patrons programme is sponsored by Colliers International.
